### Unusual musical coming to T.O.

Ahoy, Gilligan's Island fans: A musical based on the offbeat TV comedy series about that lovable crew of castaways, from goofy first mate Gilligan to bombshell actress Ginger, docks at the Thousand Oaks Civic Arts Plaza for an Aug. 8 to 26 sail, er, run.

Grammy Award winner Laurence Juber, former lead guitarist for Paul McCartney & Wings, wrote the music and lyrics

with his wife, Hope. Sherwood Schwartz, who created and developed the original television series, and his son Lloyd J. Schwartz, are co-writers of the book for this musical.

Tickets to "Gilligan's Island: The Musical" are available at the Civic Arts Plaza box office or through TicketMaster at (805) 583-8700.
